

RYKNELD SWIMMING CLUB

Dear Parents/Guardians

Sad News

It is with regret that I wish to inform you that Jess Hopkinson, one of our Swimming Teacher will be leaving the Club on Friday 21st July.

Jess has been a part of Rykneld Swimming Club for almost 10 years, starting as a swimmer then progressing to become a volunteer and more recently qualifying as a Teacher, where she has worked with us to teach and develop the children in our Learn to Swim program.

Caomi Green has also recently moved to pastures new following her time with the Club. Whilst with the Club, Caomi was a swimmer, volunteer and was given the opportunity to develop and progress to become a Teacher.

I am sure you will join me in wishing both Jess and Cai the best for their new ventures and thank them both for their hardwork, dedication and commitment to the Club and our swimmers.

Moving Forward

I am sure you will have noticed over the last few weeks we have 2 new faces on the small pool.... Charmaine Sharman has recently taken on the role as the Club's Swim Coordinator and will be working with Peter to progress and promote our Learn to Swim program. Charmaine has a wealth of experience in teaching and working with young swimmers to enable them to develop their potential and I am sure Charmaine will be a great asset to the Club.

Amy Roberts has also recently returned to the Club and has been teaching in the small pool. Amy and her family have had strong links with the Club over a long period of time and again Amy has a wealth of experience in teaching and developing young swimmers.

A warm Club welcome to both Charmaine and Amy!!

As with any progressive Club there will always be changes but Peter and his Team are committed to moving the Club forward and have the full support of the Committee. Should you have any questions please always feel free to contact any member of the Rykneld Team...

Regards

Allison Beckett
Chair – Rykneld Swimming Club
